Best Season	Best Season	Shoulder Season	Shoulder Season	Shoulder Season	Best Season	Best Season	Low Season	Low Season	Low Season	Not available	Not available

Iguazu Falls is a wonderful destination to be visited all the year. Just note, the peak season in the area is the winter holiday in Argentina, usually the second part of July. It's if you want to avoid crowded of people in the parks. Remember to bring your camera, you will be in one of the most incredible places in the world!

Check documentation to enter to different countries. Please note that it is your responsibility to hold all entry, departure and health documents and any other document required by the destination country. If you're not sure what the immigration requirements are, we recommend you check with the consulate / embassy of the destination country.
